

Amy Braun, PMP

**Principal, Project Management
Boston**

Professional Experience

Amy has more than 16 years of experience in design, construction, and project management throughout North America. A Principal at Cresa Boston, Amy partners with clients to develop a holistic understanding of their organizational objectives and provide guidance and leadership throughout the full life cycle of a project. She is involved in all aspects of real estate decision making and delivery, with deep expertise in workplace strategy, team assembly, design and construction oversight, vendor coordination, and relocation planning and management.

Education

Amy has a dual degree in Facilities Planning and Management and Interior Design from Wentworth Institute of Technology. She is also a certified Project Management Professional (PMP).

Personal Interests

Amy loves spending time with her family. Depending on the season you can find her at the beach, skiing, or mountain biking.
