

Natalie Crow

**Associate Advisor, Project Management
Boston**

Professional Experience

As an Associate Project Manager with Cresa, Natalie develops and manages project scopes, schedules, and budgets to align with client objectives. She also coordinates the transportation and moving logistics across the client, vendor, and project team. Previously, Natalie worked as a construction project planner, where she managed facility projects through their lifecycles to limit operational impact and maximize value for her clients.

Education

Natalie received a Bachelor of Science in Civil Engineering from the University at Buffalo in 2019.

Personal Interests

Outside of work, Natalie stays active by kayaking, playing beach volleyball, and going to concerts and sporting events. Whether she's home or traveling, she is always looking for new restaurants and local spots to discover.
