

John Fogle

Senior Project Manager
Boston

Professional Experience

John is an experienced project manager delivering successful project solutions for organizations since 2005. At Cresa, he works alongside clients to understand and develop their workplace strategy from budget and schedule development to the management of design, construction, negotiations, team selection, vendor management, and project close-out.

Affiliations

John earned the designation of Certified Construction Manager (CCM) issued by the Construction Manager Certification Institute in 2015.

Education

John earned his Bachelor of Science degree in Construction Technology from the University of Central Missouri in 1983.

Personal Interests

John loves the outdoors and enjoys camping, swimming, and biking with his wife and five children.
