Lynzie Luschenat

Advisor, Financial Analytics
Boston

Professional Experience

As part of a multi-disciplinary data and analytics team, Lynzie develops strategies and processes to deliver financial insights to clients. She conducts analyses of occupancy cost, sublease recovery, sale leaseback, GAAP, and portfolio optimization to provide a holistic financial understanding of clients' real estate and inform strategic decision making. Lynzie also works closely with Cresa's team of advisors, consultants, and analysts to support business development and thought leadership initiatives.

Education

Lynzie earned a Master of Sciences in Real Estate Development from the University of Arizona in 2022. In 2017, she graduated from the University of New Hampshire with a Bachelor of Science in Hospitality Management.

Affiliations

Lynzie has served on the Rosie's Place Young Professionals committee since 2021.

Personal Interests

Outside of work, Lynzie teaches fitness classes and enjoys running, traveling, and going to Celtics games.
