

Brett McNiff

Advisory & Research Associate Boston

Professional Experience

As Advisory and Research Associate, Brett partners with advisory teams to develop tailored prospect and client materials such as market surveys and tours. He also plays a key role on Cresa Boston's expanding research team, collecting and tracking critical research and data for inclusion in market reports, research publications, and business development materials. Before joining Cresa, Brett held a property management role for a luxury residential portfolio in Big Sky, Montana.

Education

Brett received a Bachelor of Business Administration degree with a concentration in Real Estate from The Ohio State University in 2021.

Personal Interests

In his free time, Brett enjoys playing golf, basketball, and traveling with family and friends.
