

Dwight Patten

**Principal, Project Management
Boston**

Professional Experience

Dwight has over 30 years of experience in various disciplines of real estate including development, project management, strategic planning, design and construction, and facilities management. His experience has involved directing a regional corporate portfolio in excess of 3 million square feet and managing a team of project managers. He has project experience in both domestic and international. He is also a registered architect in Massachusetts.

Affiliations

Dwight is a member of the International Facilities Management Association (IFMA), CoreNet Global and the American Institute of Architects.

Education

Dwight received a Bachelor of Arts in Architecture from Boston Architectural Center in 1990. He also attended Windham College, where he earned a Bachelor of Fine Arts in Theatre and Art.

Personal Interests

Outside of work, Dwight enjoys acting in regional stage plays, renovating antique houses and cars, and spending time with friends and family at a lake cottage in Maine.
