

Tazrin Tofanelli

**Advisor, Project Management
Boston**

Professional Experience

As a Project Manager at Cresa, Tazrin manages project scopes, schedules, and budgets to ensure client goals are met. Prior to joining Cresa, Tazrin managed a wide variety of construction projects including interior fit outs, office renovations, infrastructure upgrades, and an indoor vertical farming facility.

Education

Tazrin received a Bachelor of Sciences in Architecture from New York Institute of Technology in 2017.

Personal Interests

Outside of work, Tazrin enjoys spending time with her husband and dogs. She likes to stay active by weightlifting, swimming, boxing, and hiking.
