

Adam Ratajaski

**Vice President | Food, Ingredients, & Nutrition
Chicago**

Professional Experience

Adam has nearly a decade of experience in industrial food-related real estate. Prior to joining Cresa, he was an integral part of the genesis of Global Food Properties, a boutique brokerage firm specializing in food manufacturing and distribution facilities. There, he honed his expertise through tracking data and market availability, business development, and transaction negotiation. Adam has a deep understanding of what drives occupancy and value for these special purpose assets. Prior to joining Global Food Properties, Adam was an Associate with CBRE.

Affiliations

- Association of Industrial Real Estate Brokers (AIRE)

Education

- Bachelor of Science from DePaul University double-majoring in Real Estate and Finance
