

Liz Roberts

Senior Vice President Chicago

Professional Experience

Liz Roberts focuses on providing comprehensive real estate services to a variety of clients, primarily corporations with global real estate holdings. Liz's focus on global portfolio solutions allows her to work with clients to shape real estate strategy and then implement that strategy to create real savings and new opportunities for corporate growth.

As an account manager Liz oversees the transaction management, reporting, lease administration, and overall process to ensure the goals of the portfolio are met. Liz currently manages the real estate account for a large, public consumer products company with real estate holdings worldwide.

Liz has executed a variety of real estate transactions globally, including sale/leasebacks, headquarter dispositions, and relocations, build-to-suit distribution centers and inland river terminal dispositions. Additionally Liz is a member of Cresa's Industrial Services Team. Prior to joining Cresa Liz was with Newmark Knight Frank Smith Mack in Philadelphia. There she developed the Corporate Services platform for the Philadelphia office, managing multiple corporate real estate portfolios.
