

Jessica Dionne

Senior Graphic Design Associate
Headquarters

Professional Experience

As Senior Graphic Design Associate, Jessica is responsible for the layout, design and production of high-quality print and digital materials. Before joining Cresa's corporate office, she was part of the Boston office's marketing team. Her background in corporate branding, print and web design allows for an agile and creative approach to a variety of design and marketing needs.

Education

Jessica received a Bachelor of Fine Arts in Graphic Design in 2007 from The Art Institute of Boston at Lesley University.
