

Paul Herzog

Managing Principal Denver

Professional Experience

Paul Herzog, Managing Principal with Cresa since 2002, has more than 30 years of experience in commercial real estate. He has successfully advised and represented occupiers on various transactions in the Metro Denver area and nationwide. Paul combines his analytical skills with a thorough knowledge of the market and a broad range of transactional experience, providing optimal occupancy cost reduction solutions for Cresa clients to meet their business needs and financial objectives.
