

Damon Harmon, CPA, CGA

Managing Principal, Broker

Professional Experience

Damon's focus is working with clients to develop criteria that determine their real estate needs currently and into the future. By looking at various industry trends and company-specific goals to create a clear set of objectives, Damon has been able to successfully achieve flexibility as well as cost savings for his clients. His strengths lie in strategic planning, financial analysis and evaluating options for clients on an economic basis as well as a cultural basis to determine best case scenarios. Damon currently sits on the Real Estate Sector Advisory Committee working with Calgary Economic Development on the City of Calgary's Greater Downtown Plan. As the lead of the Post-Secondary Sub-Committee, his focus is on increasing vibrancy in Calgary's downtown core by looking to create a student housing centre as well as create a greater presence of post-secondaries in the downtown core. Damon also volunteers and has been involved in many initiatives as an alumni with Mount Royal University. Damon has leased over four and half million square feet of office space since joining Cresa in 2003. He is currently a Managing Principal for the Calgary and Edmonton offices of Cresa.

Affiliations

Damon stays regularly active in a number of professional organizations including:

- Real Estate Sector Advisory Committee - Post Secondary Sub-Committee Lead
