

## Dan Budman

### Vice President

#### Professional Experience

Dan Budman is an accomplished commercial real estate agent who specializes his practice in representing and advising tenants within the office market. His efforts are focused on complex offer negotiations, gathering market intelligence, site selection, disposition assignments and creating leverage for lease renewals, and early lease terminations.

In addition, Dan has a vast knowledge from his previous experience at one of the largest global real estate firms, where he represented institutionalized building owners. From this previous experience, Dan was able to help facilitate numerous Federal Government leases for his clients and is well versed in the Federal Government leasing process. Dan brings with him a determined outlook as he provides a professional level of real estate based advisory and transactional experience.

#### Education

Dan holds a Bachelor of Commerce Degree from MacEwan University with a major in Marketing

#### Affiliations

Dan is currently a licensed Associate with the Real Estate Council of Alberta (RECA)
