

Bob Schneiderman

Managing Principal
South Florida

Professional Experience

With over three decades of commercial real estate experience, Bob excels in providing tested and trusted solutions for occupiers. His success includes facilitating more than two million square feet of leases valued in excess of \$1 billion, and sales in excess of \$150 million. His distinguished business acumen, professionalism, diligence, and meticulous attention to detail are invaluable assets to his clients. Bob knows which questions to ask in order to effectively understand client challenges and opportunities, establish strategic direction, assertively negotiate competitive terms and support his clients throughout their transition.

His historic partnerships include tenures at Colliers, DTZ, NAI/Merin Hunter Codman and Studley.

Education
