

Robert G. Orban

**Principal
South Florida**

Professional Experience

Robert Orban heads Cresa's South Florida office practice. His career spans more than 30 years and 9.15 million square feet of commercial real estate service in South Florida, where he's represented occupiers and the needs of their business. Bob is a key strategist and consultant to clients particularly for the South Florida region, where his market acumen has successfully provided solutions for a variety of clients. Bob previously worked at Savills/Studley and Trammell Crow as a leader in the corporate advisory services practice in South Florida.
