

Trent Simpson

Advisor

South Florida

Professional Experience

Trent Simpson joins the Miami team as an advisor. Prior to joining Cresa, he was the managing partner at a small franchise business. In this senior role, Trent helped grow the franchise to three locations. He oversaw site selection and build-out of all real estate and was responsible for managing high level day-to-day operations.

Trent has worked closely with investors in the residential market to identify investment opportunities, and assisted in the acquisition, rehab, remarket and sale of these properties. Having grown up in a development family, he's been familiar with the real estate industry for some time. After successfully selling the franchise, Trent saw a career in CRE as a way to grow his knowledge and experience.

As an advisor, Trent will conduct market research and site analysis, and assist senior advisors in transaction management.

Education

Bachelor's of Science, Political Science - University of Missouri, St. Louis

Personal Interests

Trent is an avid outdoors man. He enjoys Scuba, spear fishing, fishing and hunting, baseball and softball.
