

## Nick Markel

**Vice President**  
**New York**

### Professional Experience

Nick Markel has joined the New York City office of Cresa as a Vice President. Prior to joining Cresa, he served as Vice President at Deutsche Bank's Corporate Services Real Estate Department, reporting to the Global Head of Real Estate. Before that, he worked at Cushman & Wakefield, where he was promoted three times within five years, achieving the title of Director.

Among Nick's many notable deals have been the relocation of the headquarters of Rockefeller Financial into a 65,000 square-foot space at 630 Fifth Avenue; the relocation of UGG Australia (Deckers) to a 15,000 square-foot office and showroom space at 1325 Avenue of the Americas; the \$140,000,000 sale of One Broadway; and the sale of a 40,000 square-foot commercial condominium at 633 Third Avenue on behalf of Mount Sinai Health Systems.
