

Mark Bennett

Managing Principal Orange County

Professional Experience

Mark Bennett is a senior real estate professional with over 40 years experience in the office, industrial and medical property sectors. His focus is in the corporate occupier representation arena.

Over his career, Mark has developed strategic real estate plans for several Fortune 500 companies on a regional and national basis. Mark's strengths include acquisitions and dispositions, lease restructuring, lease document and work letter negotiations and build-to-suit expertise.
