

Trent Morgan

Advisor
Orange County

Professional Experience

Following two summers as a Cresa Intern and graduating from USC, Trent recently joined Cresa as an Advisor in our Orange County office. Trent applies his experience in market research and communications to support Cresa's industrial and office space clients in meeting their facility objectives.

As an Orange County resident and active business development expert, Trent is actively developing local market expertise throughout the County.

Education

Trent received his degree in Real Estate Development from the University of Southern California.
