

Allison Castro

**Vice President, Account Management
Phoenix**

Professional Experience

Allison is responsible for managing real estate portfolios for several national accounts on an Arizona based Portfolio Account Team, completing an average of over 250 transactions annually. In her role at Cresa, Allison leads day-to-day management and is responsible for the overall success of her accounts.

She participates in high level strategy of real estate portfolios with corporate executives. She provides market research and market surveys to leverage negotiations and identify available options for new locations and relocations.
