

Beth Stein, PMP

Senior Vice President, Project Management Phoenix

Professional Experience

With 20 years of experience, Beth has managed a wide range of projects to include tenant improvements, occupied remodels and build-to-suit projects. Her ability to work with key stakeholders and develop complex, detailed project plans while achieving on time, under budget results has proven exemplary to her clients. Since joining Cresa, Beth has focused on office, corporate headquarters, hospitality and health care. Projects have varied in complexity and size, ranging up to 1.25 million SF.

“Beth did a tremendous job of orchestrating the team to deliver a project on time and within budget. Quite honestly, we could not have completed this project without her. Beth is a delight to work with and we look forward to working with her on future projects.”

Mark Poindexter, Director, Warehouse Operations & Facilities
