

Jacklyn Posta

Financial Coordinator, Project Management
Phoenix

Professional Experience

Jackie joins the Phoenix office as the Financial Coordinator for the Project Management Team. Jackie interacts with contractors, architects, vendors, landlords, occupiers and supports the project management team with their project invoicing. She has prior experience working as an engineer for a large technology company, interacting with customers on government contracts and also recently leading the fundraising for a non-profit. Her passion for detail, self-motivation and well rounded experience makes Jackie a great addition to Cresa.

Education Experience

Jackie received her BS degree from Rochester Institute of Technology majoring in Electrical Engineering while playing on the RIT Women's soccer team for 4 years.
