

Jenny Aust Turner

Senior Vice President
Phoenix

Professional Experience

As a real estate portfolio expert with over 15 years of experience, Jenny serves as an Account Executive and Single Point of Contact for multi-national account clients. Jenny specializes in portfolio strategy/implementation, lease negotiations, building sales & dispositions, and complex financial analysis on a corporate real estate portfolio account team. This nationally recognized team specializes in handling global and national corporate accounts for mid-sized, privately held companies and Fortune 500 industry leaders, offering insight, direction, and guidance to corporations across various industries. Collectively, they manage over 170 million square feet worldwide.

Jenny's team is known for its flexibility and ability to scale services to meet client's needs, from handling one-time local real estate transactions to managing comprehensive global real estate portfolios.
