

## Pam Winston

**Advisor**  
**New Jersey**

### Professional Experience

Pam Winston brings more than 25 years in sales, account management and procurement to Cresa's New Jersey office. As an advisor to clients in the New York/New Jersey region, she assists clients by aligning corporate real estate strategies with their long-term business objectives, focusing primarily on women-owned businesses. Additionally, Pam will focus on business development and market research.

### Education

Pam received her BA degree in Marketing from University of Hartford.
