

Conner Jauch

Advisor
Silicon Valley

Professional Experience

With a Real Estate & Finance background, Conner has developed a knack for assessing business' needs and effectively executing a real estate solution that best suits their business model. An expert in getting to understand a company's culture, while also understanding a company's financial flexibility, allows Conner to bring great value when creating the best real estate solution for his clients.

Conner joined Cresa in 2019 to continue delivering superlative Advisory to all companies, ranging from large corporations to exciting start-ups in San Francisco Bay Area.
