

## Mark Titleman

### Vice President, Sales Representative

#### Professional Experience

As a Vice President in Cresa's Toronto office, Mark demonstrates great proficiency and innovation, with strong attention to detail, in his approach to identifying client needs and implementing strategies that ensure his clients receive maximum value.

Mark takes a consultative approach, providing objective real estate solutions that meet the distinct requirements of his clients. By building long-term partnerships with his clients, Mark brings a proactive, needs-based approach to managing corporate real estate, which ultimately mitigates risk, aligns his clients' business plans with their real estate objectives, and saves them time and money.

As a Montreal native, Mark is also fluent in French.
