

Mark Bleiwas

Managing Principal, Sales Representative
Toronto

Professional Experience

As Managing Principal, Mark serves as a strategic real estate partner to a wide range of clients throughout North America. His responsibilities include strategic planning, research, analysis and transaction work for industrial and office clients both locally and nationally.

He is also responsible for running the Business Development Representative program whereby he coaches and mentors junior agents. Mark's analytical nature and strong financial background have enabled him to implement creative and complex solutions for his clients for the past 20+ years. It is this relentless passion that earned Mark numerous industry awards and recognition within the industry.
