

## May Chaaya

### Vice President, Project Management Toronto

#### Professional Experience

As a Vice President, May brings over 19 years of experience specifically in hospitality and corporate projects. In her role as a Project Manager, she identifies the Scope of Work, creates ROM estimates, creates and implements schedules, forecasts cash flow and manages all aspects of the project to ensure it is completed on time and within budget.

May works with clients to enhance the function, safety, and aesthetics of interior spaces and oversees the implementation of change management and move management.

#### Clients

- Waste Connections
- Wellington-Altus Private Wealth
- Tandia Financial Credit Union
- Q4 Inc.
- Alectra Utilities
