

# Michael Wasyliw

## Managing Principal, Project Management Toronto

### Professional Experience

Michael has over 25 years of real estate and project management experience across a diverse range of market sectors including office, manufacturing, retail, life sciences, multi-site and new build projects. His extensive background spans the entire process including project planning, site selection and entitlements, estimating, design, construction and relocation. He has managed projects on behalf of clients ranging from small start-ups to large multi-national companies.

A proven leader and client advocate, Michael excels in developing strong, trusted partnerships with all team members. Whether it's by accelerating project delivery, reducing costs or minimizing risk, Michael is constantly focused on delivering value to his clients.

In addition to managing projects, Michael leads the Toronto Project Management team, is a member of the Cresa Project Management Leadership Committee and has led the development of Cresa's project management platform.
