

Erik Carlson

Senior Vice President San Francisco

Professional Experience

As Senior Vice President of Cresa Bay Area and of Cresa’s National Life Science Practice Group, Erik’s exclusive focus on the representation of Life Science, Food Tech and Energy tenants throughout the Bay Area has allowed him to develop a competitive advantage for his clients. Erik won the San Francisco Business Times Life Science Lease of the Year in 2020 and was awarded the first ever “Breakthrough Performance Award” given to the top performer in Northern California in 2021. Erik won the “Rising Star” award given to select brokers across the country in 2022.

An expert in creative and efficient growth, Erik values company culture as it relates to recruiting/retention while understanding that financial flexibility/efficiency are essential to the success of a growing company

The foundation of his education was on-site LEED training, market cycles, and market trends which has led to a deep understanding of strategic decision making
